

KIRTHIKA V

FRONT END DEVELOPER

PROFILE

Hello! I'm kirthika, a 2nd- year B.Sc Computer Science student specializing in Artificial intelligence. I'm passionate about AI, Full stack Development, and working towards becoming a Data Scientist. My Skills include python, HTML, CSS, JavaScript, and tools like Git and VS code. I'm also learning TensorFlow, OpenCV, and pyTorch to enhance my AI expertise. I'm driven, focused, and always eager to learn and build impactful solutions.
